

# AGXPLORER & PROGRESSIVE AG SAFETY DAYS IN CHAVES COUNTY

**April 20 & 21, 2025**  
**Open to 4<sup>th</sup> Graders**

The AgXplorer program is a collaborative initiative that aims to provide meaningful educational opportunities for students and educators to connect with local experts and enhance their understanding of agriculture and natural resources. Each AgXplorer event aims to help build a society that values agriculture and natural resources while providing much-needed connections to local experts and exposure to career pathways in these fields.

**Progressive Agriculture Safety Day<sup>®</sup> Program**

**April 23 & 24, 2025**  
**Open to 3<sup>rd</sup> Graders**

The Progressive Agriculture Safety Day<sup>®</sup> (PASD) program is a community-based initiative that provides meaningful hands-on safety education for children through interactive, one-day events. Each PASD event connects youth with trained volunteers and local experts who teach essential agricultural safety skills in an engaging, age-appropriate format. Each PASD event aims to help build a safer agricultural community while empowering children with crucial knowledge about farm safety, machinery awareness, and animal handling, keeping them safe whether they live on a farm or simply visit one.
